Fellowes Brands has established a scholarship program that strives to make a difference in their people's lives by breaking down institutional, financial, and personal non-academic barriers to create impactful, and otherwise inaccessible, opportunities for their dependents to further their education and selves.

The program is administered by Scholarship America®, the nation's largest designer and manager of scholarships and other education support programs for corporations, foundations, associations, and individuals. Eligibility for individual programs is determined at the sole discretion of the sponsor and eligible applications are reviewed by Scholarship America's evaluation team. Awards for this scholarship are granted to eligible recipients without regard to race, color, creed, religion, sexual orientation, gender, disability, or national origin.

Eligibility	Awards	Required Materials
• Be dependent children*, aged 25 and under, of full-time Fellowes Brands U.S. employees with a minimum of one (1) year of employment and in good performance standing (as outlined in the Program Requirements) with the company as of the application deadline date. *Dependent children are defined as biological, step- or legally adopted children living in the employee's household or primarily supported by the employee. • Be high school seniors or high school graduates who are not currently enrolled in postsecondary education.* Gap year students are encouraged to apply. *Students who have taken college courses or enrolled full-time in Postsecondary Enrollment Options (PSEO) during high school are eligible to apply. • Plan to enroll in full-time undergraduate study at an accredited four-year college or university for the entire upcoming academic year. • Have a minimum grade point average of 3.0 on a 4.0 scale, or the equivalent. As this program is, in part, focused on helping to overcome financial and other personal non-academic barriers, this benefit is available for employees at the Sr. Manager and below levels. Officers, executives, senior directors and directors are ineligible.
