NEXT GEN

Scholarship Program

Program Purpose

Weaved into our core values of Family and Care, the **Next Gen Scholarship Program** strives to make a difference in our people's lives by breaking down institutional, financial and personal non-academic barriers to create impactful, and otherwise inaccessible, opportunities for their dependents to further their education and selves.

We will be partnering with a third party, **Scholarship America**, to administer the Next Gen Scholarship Program.

Scholarship America is the largest private scholarship and student support organization in the nation. Today, the organization supports more than 13,000 unique scholarship and education assistance programs for local communities, businesses, foundations, associations, nonprofits and philanthropic individuals, including a national network of almost 500 locally based Dollars for Scholars.

Program Overview

Each year, Fellowes will grant up to three new scholarship awards, totaling \$15,000, to support the diverse educational goals of our employees' legal dependents.

- One \$10,000 award will be granted to underwrite the costs of a four-year college/university. This award is renewable up to three years or until a bachelor's degree is earned.*
- Up to two \$2,500 awards will be granted to underwrite the costs of a one- or two-year college or vocational/technical school. This award is renewable up to one year for students enrolled in a two-year program.*
- Scholarship awards will be made to legal dependents of eligible employees across all U.S. locations.
- Previous years' applicants are encouraged to re-apply.
